

ADDENDUM TO BOOK PUBLISHING AGREEMENT

Previously Published Work. Author acknowledges that the Work has previously been published or otherwise made commercially available. Author shall disclose to Publisher all prior editions, formats, ISBNs, ASINs, publication platforms, distribution arrangements, licenses, and agreements concerning the Work. Author represents and warrants that Author owns or controls all rights granted to Publisher under this Agreement and that no prior agreement prevents Publisher from exercising those rights. Upon Publisher's written request, Author shall discontinue, unpublish, or cause to be withdrawn all prior editions of the Work that would compete with Publisher's edition, including any edition published through Author's own Kindle Direct Publishing account, subject to reasonable allowances for existing inventory and third-party resale listings. Author shall reasonably cooperate with Publisher in documenting Publisher's rights to Amazon (including through Kindle Direct Publishing), distributors, retailers, and other third parties.

IN WITNESS WHEREOF, the Parties have executed this Addendum simultaneously with the Book Publishing Agreement.
